

**IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF TEXAS  
TEXARKANA DIVISION**

**CATHX RESEARCH LTD.,**

Plaintiff,

v.

**2G ROBOTICS INC. a/k/a VOYIS  
IMAGING, INC.,**

Defendant.

Civil Action No: 5:21-cv-00077-RWS

Judge: Hon. Robert W. Schroeder III

**JURY TRIAL DEMANDED**

**JOINT STATUS REPORT**

Plaintiff Cathx Research Ltd. and Defendant 2G Robotics Inc. a/k/a Voyis Imaging, Inc. previously filed a Joint Motion to Stay All Deadlines and Notice of Settlement. Dkt. 318. On November 17, 2023, the Court granted the Parties' Joint Motion and stayed this case for a period of 30 days. Dkt. 319. The Court also ordered that, if the matter has not been dismissed before the expiration of the stay, the Parties are to meet and confer and file a joint status report. *Id.*

The Parties have exchanged and have been negotiating a formal settlement agreement consistent with the general terms set forth in the Parties' Joint Motion. *See* Dkt. 318 (filed under seal). In view of the recent and upcoming holidays, and the delays in communicating across separate time zones, the Parties have met, conferred, and jointly request additional time to finalize the formal settlement agreement. Specifically, the Parties ask that all deadlines in this case remain stayed for an additional 30 days (*i.e.*, until January 16, 2024) to account for potential delays surrounding upcoming holidays. The Parties have not identified any disputes that would require resolution by the Court and also remain in contact with a third-party mediator who helped facilitate the settlement between the Parties. Consequently, the Parties remain confident that the formal agreement will be finalized, and this matter dismissed, without further judicial intervention.

Dated: December 18, 2023

Respectfully submitted,

By: /s/Edward L. Bishop \_\_\_\_\_
